

Inclusion Regina is seeking a Facilitator for Let's Connect Technologies! Let's Connect is an introductory technology program for persons living with intellectual disabilities. Using an iPad provided in the course materials, students will learn practical and technical skills, as well as social skills, in a facilitated, classroom setting.

Terms - This position is contract from August to December, 2018. It requires approximately 35 hours per week (M to F) in August. From September to December the role is approximately 6 to 8 hours per week.

Qualifications - The ideal candidate will possess:

- Professional experience in use of technology; specifically Apple products and iPads.
- Strong skills and proven experience facilitating group workshops.
- Ability to identify needs for accommodations, and knowledge of how to create accommodations for individuals with cognitive and/or physical disabilities.
- Experience working with groups comprised of persons with diverse skill sets.
- Consideration and respect for diversity, person-centred planning, and supported-decision making.
- Knowledge of, and experience in, community engagement and building inclusive programs.
- Understanding of creating curriculum and planning classroom activities.
- Outgoing, creative, motivated, with exceptional problem-solving skills.

Interested parties may apply by sending resume and cover letter via email to [executivedirector@inclusionregina.ca](mailto:executivedirector@inclusionregina.ca). Inquiries may be directed to Kathy Nicholas at 306.790.5688 or by email as above.

Application deadline is July 12, 2018. We thank you for your interest. Please understand only those candidates selected for interview will be contacted.
